

## Federal Maritime Commission

## § 502.74

(2) Petitions for intervention as a matter of Commission discretion may be granted only upon a showing that:

(i) A common issue of law or fact exists between the petitioner's interests and the subject matter of the proceeding; and

(ii) Petitioner's intervention will not unduly delay or broaden the scope of the proceeding, prejudice the adjudication of the rights of or be duplicative of positions of any existing party; and

(iii) The petitioner's participation may reasonably be expected to assist in the development of a sound record.

(3) The timeliness of the petition will also be considered in determining whether a petition will be granted under paragraphs (b)(1) or (b)(2) of this section. If filed after hearings have been closed, a petition will not ordinarily be granted.

(c) In the interests of: (1) Restricting irrelevant, duplicative, or repetitive discovery, evidence or arguments; (2) having common interests represented by a spokesperson; and (3) retaining authority to determine priorities and control the course of the proceeding, the presiding officer, in his or her discretion, may impose reasonable limitations on an intervenor's participation, e.g., the filing of briefs, presentation of evidence on selected factual issues, or oral argument on some or all of the issues.

(d) Absent good cause shown, any intervenor desiring to utilize the procedures provided by subpart L must commence doing so no later than fifteen (15) days after its petition for leave to intervene has been granted. If the petition is filed later than thirty (30) days after the date of publication in the FEDERAL REGISTER of the Commission's Order instituting the proceeding or notice of complaint filed, petitioner will be deemed to have waived its right to utilize such procedures, unless good cause is shown for the failure to file the petition within the 30-day period. The use of subpart L procedures by an intervenor whose petition was filed beyond such 30-day period will in no event be allowed, if, in the opinion of the presiding officer, such use will result in delaying the proceeding unduly.

(e) If intervention is granted before or at a prehearing conference convened

for the purpose of considering matters relating to discovery, the intervenor's discovery matters may also be considered at that time, and may be limited under the provisions of paragraph (c) of this section.

(f) A form of petition for leave to intervene is set forth in Exhibit No. 3 to this subpart. [Rule 72.]

### § 502.73 Motions.

(a) In any docketed proceeding, an application or request for an order or ruling not otherwise specifically provided for in this part shall be by motion. After the assignment of a presiding officer to a proceeding and before the issuance of his or her recommended or initial decision, all motions shall be addressed to and ruled upon by the presiding officer unless the subject matter of the motion is beyond his or her authority, in which event the matter shall be referred to the Commission. If the proceeding is not before the presiding officer, motions shall be designated as "petitions" and shall be addressed to and passed upon by the Commission.

(b) Motions shall be in writing, except that a motion made at a hearing shall be sufficient if stated orally upon the record, unless the presiding officer directs that it be reduced to writing.

(c) All written motions shall state clearly and concisely the purpose of and the relief sought by the motion, the statutory or principal authority relied upon, and the facts claimed to constitute the grounds requiring the relief requested; and shall conform with the requirements of subpart H of this part.

(d) Oral argument upon a written motion may be permitted at the discretion of the presiding officer or the Commission, as the case may be.

(e) A repetitious motion will not be entertained. [Rule 73.]

(a)(1) Except as provided under subpart V of this part, a reply to a reply is not permitted.

(2) Except as otherwise provided respecting answers (§502.64), shortened procedure (subpart K of this part),
